WELCOME

For 50 years, our family's love for the great outdoors has driven Supex, a brand born from our genuine passion to equip fellow adventurers with top-notch gear.

It all started when Grandpa bought a metal fabrication company in Sydney back in '73. He started sharing creations designed for his own adventures, quickly transforming the business into one of Australia’s top camping, RV, and caravan brands.

Three generations later, we continue to inspire and support adventurers and explorers with gear — and advice — they can trust.

from the team at Supex.
